

## ALTERNATIVE CEREMONIES

Your wedding is about celebrating you as individuals and a couple reflecting your personalities through and through!

Having a celebrant conduct your ceremony is a perfect way to encapsulate everything that you both are. Having your ceremony bespoke written by a celebrant for you means that you can exchange your own written vows, readings, songs, and anything else you could want!

Here are the celebrants we love to work with the most ...

### **Penelope Jayne**
