### **Which council do you need to pay regarding legal fees?**

It is based on where you currently live (not where you were born) and each person pays £35.00 to the local council to where they currently live.

### **Which council do I contact regarding a ceremony?**

Depending on where your chosen venue is, depends which registrars you will have for the ceremony.

The Beverley Barn falls under the East Riding District, so if you choose to book The Beverley Barn then you would use the registrars from Beverley. Please contact the Beverley Registry Office before paying the Booking Fee to The Beverley Barn to ensure availability for your preferred date.

### **How much are the legal fees to marry at The Beverley Barn?**

The registrar's fees are subject to increase on 1st April each year by the registrar services.

Prices are correct as of 2023-24

Monday - Thursday	£420
Friday	£465
Saturday	£525
Sunday / Bank Holiday	£575

**There is no additional fee for legal ceremonies to take place outside. Outside ceremonies can take place at any time of the year however this is weather dependant and with the registrars approval. This is decided by the registrars not The Beverley Barn.**

**Notice period:** You can give notice up to a year in advance of your wedding but not before then and the minimum is 30 days before the wedding (but it is not recommended to leave it this last minute).

Please note you can still pay a deposit to the registry office, which secures the date and time you require in advance of a year.

Please do not hesitate to contact The Beverley Barn for further assistance or if you have any questions we can answer for you, we are always happy to help.
